

**Peter Klopp**  
**Advanced Animation**  
**14 February 2020**

**End of Week:**

- I. This week I accomplished:  
Creating a slingshot class.
  
- II. This week I had problems with the following:  
Adding elastic constraints to objects through the slingshot class.
  
- III. What I learned this week:  
I learned how to create new constraints in matter.js.
